St Joseph's School is a community growing together in harmony and faith in Jesus.
In a safe environment, our school community seeks to empower its members to reach their potential.

2021 Edition No 4 - Wednesday 17 March

Dear Parents, Carers and Students,

*Joseph we honour you;
In your unconditional love and protection of Mary
In your courageous trust in God's provident care
In your silent listening to the whisperings of God in your heart
In your acceptance of the mysterious action of God in your life
In your nurturing love for Mary and Jesus
In your fatherly instruction of Jesus in the ways of wisdom, love, mercy and forgiveness.
Amen*

I would like to say a very big Thank You to Mrs Monaghan and all the parent helpers for making our swimming carnival such a huge success. The day ran so smoothly and the children excelled in all that they did. It was a great day to be a part of.

Year 1 ran a beautiful Liturgy of the Word last Thursday. It was wonderful to see the Year 2 class participate and great to have a few parents in attendance. The theme was 'Creation'. Thank you for your beautiful reading and singing children. I enjoyed doing the actions to the songs, as did the mums that came along. Our next Mass will be the celebration of St Joseph this Friday March 19. This Mass will be held in the hall at 9am for the whole school. Once again parents are warmly invited to attend.

Our students have been busy rehearsing for the Picnic and Performance night this Friday. I am very excited to witness the talent we have at the school. I hope you have all ordered your cheese platter for yourselves and sausage sizzle for your children for the night. Thank you to the P&F for their work in organising all the food.

Next week on Wednesday March 24 our Year Ones to Year Sixes will be participating in their 3-Way interviews. Followed up on Thursday 25 with the Kindy and Pre Primary Learning Journeys. The 3 way interviews are a chance for your child to show you some of their work, tell you how their start to the year has been, and to let you know what they feel they are doing well at and what they may need to work on. The teachers will also chat to you about your child's successes and any areas that may need improvement. This is all verbal and there will not be any written interim reports. I hope everyone has had the opportunity to book in their appointment. This went live on Monday afternoon. If you do not have access to the online booking, please come in and book a time directly with your child's teacher.

CONTAINERS FOR CHANGE - When you drop all your empty drink containers out at the tip you can have the money donated straight to our P&F. We also have a bin at school for the students to drop their containers in once they have finished the contents at recess or lunch. This is emptied every Friday and the money donated to the P&F. Every amount helps.

Yours in faith

St Joseph's Day - Friday 19 March

This Friday, 19 March, students are invited to wear **PURPLE** and **GREEN** to school for a gold coin donation. Purple to symbolise St Joseph and our current season of Lent, and green representing St Patrick. Money raised will be donated to Caritas Australia's Project Compassion.

Saint Oscar Romero said, "Aspire not to have more, but to be more."

Through your generosity and by aspiring to "Be More", you are assisting some of the world's most vulnerable people build better futures for themselves, their families and their communities.

Choir Workshop

The School Choir had the incredible opportunity to participate in an after school workshop run by the talented Janet Zijm. Janet moved to Moora last year and has started up a community choir that meets on Monday nights at the Baptist Church. She has years of experience directing choirs of all ages and with her background in teaching is fantastic working with children's choirs.

The choir worked extremely hard perfecting the song they will perform at the Picnic and Performances event on the 19th of March. Thank you to the parents and guardians for your continued support of our choir and ensuring your child could attend the choir workshop. The choir students cannot wait to showcase what they have been working on we hope to see you at our first performance for the year the Picnics and Performances.

Swimming Carnival

On Friday 5th of March, Yuat, Moore and Mackillop competed in the School Faction Swimming Carnival. It was a fantastic day, filled with great sportsmanship, outstanding efforts and team spirit. I would like to thank all the parents who came along to both support and assist on the day as without you, the carnival could not have happened. Moore went home with the shield for the second year running, followed by Mackillop and Yuat. Well done to all the students, whether you swam in lots of races, or just one or two, you did yourself and your faction proud. We are looking forward to Interschool Swimming Carnival next Friday the 26th of March in Wongan Hills. Best of luck to all the swimmers!

Man, O Man!

What a busy term we have had in Year 1!

The term kicked off with swimming lessons in Week 2 followed by our Faction Swimming Carnival in Week 5! Check out the beautiful photos Ms Fanetti took at the carnival.

Week 7 has seen our Year 1s in full swing with our Reading and Writing and Maths Groups. We love that our parents can come in and help at this time.

And just the other day we celebrated God's beautiful creation in our Liturgy of The Word with Year 2.

Please remember that children will remain with their class and teacher until the end of the event, you will not be permitted to remove your child early. Please send your child with a jumper/hoodie/warm item of clothing in case it gets chilly.
